Gallery investigation sheet

Metropolitan Railway A class 4-4-0T steam locomotive No. 23, 1866
Located on level one

A detail of this vehicle...

(Draw, or describe your favourite part of the vehicle here)

I like this vehicle because...

I think this vehicle is special to London because...

My other favourite things in this part of the Museum are...

(Draw or describe them here)

- ◆ Picture

- ◆ Model

- ◆ Other object

By looking at these objects I found out that...

In this part of the Museum I also found out...

I thought of these questions...
