Gallery investigation sheet

West Ham Corporation Tramways double deck electric tram No. 102, 1910
Located on the ground floor

A detail of this vehicle...

(Draw, or describe your favourite part of the vehicle here)

I like this vehicle because...

I think this vehicle is special to London because...

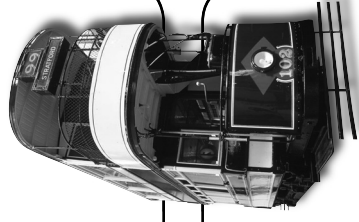

My other favourite things in this part of the Museum are...

(Draw or describe them here)

- ◆ Picture
- ◆ Model
- ◆ Other object

By looking at these objects I found out that...

In this part of the Museum I also found out...

I thought of these questions...
