Gallery investigation sheet

London Underground 1938 tube stock driving motor car, No. 11182, 1938
Located on the ground floor

A detail of this vehicle...
(Draw, or describe your favourite part of the vehicle here)

I like this vehicle because...

I think this vehicle is special to London because...

My other favourite things in this part of the Museum are...

(Draw or describe them here)

- ◆ Picture

- ◆ Model

- ◆ Other object

By looking at these objects I found out that...

In this part of the Museum I also found out...

I thought of these questions...
