The Late Debates are part of a year-long public programme of events, situated in London Transport Museum's 'pop-up' Designology Studio. The Studio programme actively explores how good design makes life in London better, through weekly design residencies and participatory workshops with some of London's best known transport designers. Studio entry is included in the cost of our annual museum ticket: Adult £17.00; Concession £14.50.

# LATE DEBATE

Beyond the Surface

13 October 2016

18:45-22:30

Enjoy an evening of circuit training for the brain at London Transport Museum's second Late Debate. Guests will be able to join a choice of interactive debates, talks and workshops, as well as visit the Museum's latest *Designology* exhibition. All this on top of our winning formula of vintage vehicles, exhibitions, music, food and drink.

TRANSPORTED BY DESIGN

|----------|---|
| <b>G</b> | <b>NEW: Designology exhibition – self guided</b><br>Upper Exterior Gallery (level one)<br>Head to our new <i>Designology</i> exhibition to discover the art and aesthetics behind the functional and familiar. From the visual to the virtual, <i>Designology</i> uncovers the fascinating designs and processes behind London's moving metropolis. |
|----------|---|

### DEBATES AND TALKS

- |          |  |   |
|----------|--|---|
| <b>D</b> | <b>Round 1: 19:15–20:00</b><br><b>Round 2: 20:45–21:30</b> | <b>TALK/SCREENING: River Revival</b><br>Cubic Theatre (underneath the Shop)<br>Head to our Cubic cinema and take a journey along the River Thames with Pat Brown, Associate Professor of Landscape and Urbanism, Kingston University, London. Have your say in the Port of London Authority's visionary projects taking place to encourage a river revival, then get creative in a fun <i>Build a boat that floats</i> workshop.  |
| <b>E</b> | <b>Round 1: 19:15–20:00</b><br><b>Round 2: 20:45–21:30</b> | <b>DEBATE: Mode Matters</b><br>Lower Deck (Main Gallery)<br>Only 100 years ago we were still heavily reliant on horses. London's transport modes have clearly come a long way, but what will the next 100 years look like on our roads? During this interactive debate guests will quiz engineering, environmental and vehicle experts: Dr John McCarthy, Director at Atkins, Intelligent Mobility and Data Expert; Martin Wedderburn, Independent Transport Professional; Lilli Matson, Head of Strategy & Outcome Planning and Jason Wilton, Chief Engineer at TfL. |

- |          |  |   |
|----------|--|---|
| <b>F</b> | <b>Round 1: 19:15–20:00</b><br><b>Round 2: 20:45–21:30</b> | <b>DEBATE: The Big 'Surface' Issue</b><br>London by Design (Main Gallery)<br>In this debate the audience become dragons in a den of leading industry experts, whose challenge is to identify and provide solutions to the big issues surrounding surface design today. Experts include: Malcom Smith, Global leader of Masterplanning and Urban Design at Arup; Neill McClements, Partner at Grimshaw Architects; Garry Colligan, Principal of Think Place and Co-founder of Place Research Lab and Urban Design Consultant to TfL; Dem Gerolemou, Product Designer at Ustwo. |
|----------|--|---|

- |          |  |  |
|----------|--|--|
| <b>G</b> | <b>Talk 1: 19:15–19:45</b><br><b>Talk 2: 20:45–21:15</b> | <b>TALK: Design on the Street</b><br>Transportorium (Main Gallery)<br>Join five industry insiders to find out how they address the challenges faced when designing for the urban realm, from connecting and greening our communities to futuristic digital street furniture. Panellists include: Gesine Junker, Principal Urban Designer and David Sterry, Chief Architect at TfL; Scott Pengelly, Vice President of Institution of Lighting Professionals; Sam Gullam, Founder Director of Lacock Gullam. |
|----------|--|--|

### OTHER WORKSHOPS AND INTERACTIVITIES

As well as debates and talks there will also be interactive sessions and workshops, giving participants the chance to explore and create as well as enjoy the Museum and network with other guests.

- |          |  |   |
|----------|--|---|
| <b>G</b> | <b>Workshop 1:</b><br><b>19:45–20:45</b><br><b>Workshop 2:</b><br><b>21:15–22:15</b>           | <b>Map your knowledge</b><br>Transportorium (Main Gallery)<br>Work with Laura Knight, graphic designer and creator of <i>Visualising the Knowledge</i> – a project exploring the taxi drivers' "degree of London" – to map your collective knowledge of London's surface.   |
| <b>H</b> | <b>DROP-IN WORKSHOP</b><br><b>18:45–22:00</b>  | <b>Architectural model building</b><br>Design Studio, Lower Exterior Gallery (mezzanine level)<br>Meet the TfL Architects responsible for designing some of London's most innovative bus stations, explore architectural drawings, and have a go at model making with state of the art 3D printing.                             |
| <b>D</b> | <b>Workshop 1:</b><br><b>19:45–20:45</b><br><b>Workshop 2:</b><br><b>21:15–22:15 (Drop-in)</b> | <b>Build a boat that floats</b><br>Cubic Foyer (underneath the Shop)<br>Have fun building a boat that floats with everyday objects.   |
| <b>B</b> | <b>18:45 – 22:00</b>   | <b>Information Points</b><br>Connections area<br>Explore the information points and meet some of London's favourite city designers and innovators, including: The Edible Bus Stop®, a design led studio that are working to grow the transport network, connecting people with each other and with where their food comes from. |
