

Down at the Depot Song

So many stories come learn with me, learn with me, learn with me,
So many stories come learn with me, down at the depot.

Chorus

Oh down in Acton together we will go,
Oh down in Acton at the museum depot.

With the drivers handle we push and pull, push and pull, push and pull,
With the drivers handle we push and pull, down at the depot.

Repeat Chorus

The old milk van doesn't jiggle and jump, jiggle and jump,
The old milk van doesn't jiggle and jump, down at the depot.

Repeat Chorus

With the bricks and tracks we build and bend, build and bend, build and bend,
With the bricks and tracks we build and bend, down at the depot.

Repeat Chorus

The tools we use go click and clunk, click and clunk, click and clunk,
The tools we use go click and clunk, down at the depot.

Repeat Chorus

The seats on the train are nice and soft, nice and soft, nice and soft,
The seats on the train are nice and soft, down at the depot.

Repeat Chorus
