

All about moquette - Teacher's notes

Our downloadable resources are designed to support you and your class as you explore our collection. Download and print the accompanying resource 'All about moquette' for your class to discover:

- What moquette is
- How it is made - from design brief to appearing on our seats.
- The history of moquette design on London transport.
- Explore different moquette patterns that have been designed.
- Meet the creative duo Wallace Sewell - who they are and what they do.

There are also some exciting practical activities for you to do in your classroom including:

- Colouring in a moquette - using a limited palette and colour mixing.
- Making moquette patterns - focusing on repeating patterns.
- Designing a moquette - working to a brief, in pairs.
- A moquette quiz - either solo activity or in groups.

Equipment needed:

- Plain paper
- Squared or graph paper
- Colouring materials - pencils, felt tips or paints.

Don't forget to test your new moquette knowledge with our moquette quiz!
